Update on Fields

- Submitted an application for Rancho for Winter League - they switched personnel - they said they likely won't make the decision until November
- John Adams Middle School might be an option in the future but the application isn't open back up yet
- Chuck talked to Bacon about fields for women's pick-up and her options that Chuck knows about

Update on SCYU

- Grant went to the Field Sports Advisory Committee in Santa Monica to talk about youth ultimate
- SCYU has the potential to be voted on as a permanent member of the Committee
- Conducted an initial clinic for Westridge School in Pasadena - there were many coaches and about 7 participants
- Another clinic there on 10/23 for middle school girls - Enway is taking the lead on this clinic
- In progress trying to fill the Lincoln Middle School league on Friday nights - incentivising past participants to come back and having parents hand out more fliers
- SCYU became an official USAU affiliate
- Don is organizing a teaching clinic to teach coaches for girls. First weekend in January during the Beach of Dreams tournament. We are waiting on a proposal to see how much this would cost and how much LAOUT may be able to contribute.

Update on Leagues

- Beach League is still being run by Goat this year and then handed over to LAOUT starting in 2019
- The City of Santa Monica system of registration is problematic for us as an organization so it'll be good to switch to Ultimate Central

Update on GE

- Changing the name Gender Equity to 'Equity'
- Gender Equity educational program proposal - Lauren
- Can we reach out to another ultimate community, like San Diego, and see about splitting the cost?
- How will we get people out to this event and ensure there are a lot of people there to represent the community?
- Can we incentivize college teams to come to help up the attendance?
- Can we partner with BGF? Not sure if they have any funds to contribute but we should loop them in
- We will pursue other corporate sponsorships to see if there is more money we can gather
- Lauren will email Aviators owners & BFG about partnership, separately

- Most objectives were volunteered for by Board members to get moving on this work
- Lauren will finalize this document and determine how to share with the community

Informational introductions

Aviators plan of action - Grant

- Grant drafted a plan and timeline to restart a conversation with the Aviators that he will share with the Board in the coming weeks

Winter league discussion - Remy

- Remy has been in contact with Dan about 6v6 for Winter League. She is still in conversation with him
- Grant provided some ideas to Dan to help with the league restructure
- Maybe we can have a community social event in November/December for folks to meet new teammates and recruit players as needed
- Concerns raised about some men not being able to play or find teams. How will this impact the number of teams in the league?

Next meeting: October 15th

Meeting adjourned at 10:09pm
