LAOUT Board *electronic vote*

**Motion (Remy):** approve changes to 2020 Winter League outlined below

- Votes in favor: Christi, Sonja, Joanna, Lauren, Grant, Jackson, Chris, Nahall, Jessica
- Abstain: Tyler

**Motion passed**

### **Mixed Bring Your Own Team (BYOT) League (aka “Traditional” Winter League)**

- This league will shift to be an even-gendered 6v6 mixed league like Summer League 2019.
- There is a suggested team cap of 18 players for each team with a suggested gender balance within 2 (8F/10M or 10F/8M being the largest imbalanced team that is within our recommendation. Teams may go beyond that though).
- There will be no dynamic scheduling. Schedules will be set ahead of opening night and teams will play within their preferred divisions.
- There will be no crossover games\*.
  - (*\*This is contingent on the number of teams that sign up for the league and may be subject to some adjustment*)
- Pending field availability, this league will be run on two different evenings of the week (ex: M/W or T/Th). There will still only be 1 game per week, but that game is guaranteed to be on 1 of 2 days.
- The sub pool may be utilised for this league.

### **Open Hat League**

- This league will also run 6v6.
- Teams will be divided by the LD with an equal balance of variously ranked players and an equal number of men and womxn. There is not a mandatory gender ratio for play, but it is encouraged to be as close to 3/3 as possible; and captains must try to match gender whenever possible. Teams will be no smaller than 12 players.
- Men & womxn can play in **both** Winter Leagues, as leagues will be run on different nights:
  - Men will get \$5 off Open Hat League if already registered for Mixed BYOT.
  - Womxn will only pay \$5 total for Open Hat League if already registered for Mixed BYOT.
- For this league we will allow two players to be bagged together.
- This league will run the same night every week, pending field availability. The end of season tournament will be held during the last two weeks of play.
- The sub pool may be utilised for this league.
- This league will be cancelled three weeks before opening night if there are not at least 40 participants registered.
